Jehangir OraCare Dental Centre

A pioneered Dental Clinic and an excellent provider of Dental Care.

Voted Pune's Best Clinic by Times Health Survey for two years consecutively (2017 and 2018), Jehangir OraCare welcomes demanding patients because we demand more of ourselves.

From the most thorough hygiene visit you’ll ever have, to sophisticated implant, cosmetic and laser procedures, we always go the distance.

We pride ourselves in giving our patients an environment where they will feel relaxed and comfortable.

We know that providing exceptional service starts from the ground up. We spend quality time with each patient to make sure their questions, concerns, and needs are being fully met.

Our world revolves around the patient and we don't compromise on our services by consistently delivering our values through effective treatment procedures, treatment by well qualified dental practitioners and university faculties, excellent service facility and personalised treatment plans.

Franchising

We strive to think futuristically, and create a sustainable business which is outcome oriented for you all year round, which is the biggest challenge most dental professionals are facing in this highly competitive market.
Along with business, growth and returns, we help provide recognition and goodwill in the society that you work for.

Entrepreneurship, begins as a path, a difficult one, but if you have the passion and drive for what you do, success always follows.
There is no end to education. It is not that you read a book, pass an examination, and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning.

Vaspan Dental Academy

Formed in 2016, our world class dentistry training facility carries out various courses on Dental Implants, Laser Dentistry, Digital Smile Design, General and Cosmetic Surgery for dentists who are looking to enhance their skill set and advance their dentistry career.
